

**Seneca Student Federation Incorporated**

*To provide services and activities that benefit and meet the needs of Seneca students in a fiscally responsible manner within a learning environment.*

**CLUBS/ASSOCIATIONS  
INFORMATION PACKAGE**

## GETTING STARTED

---

Clubs and Associations provide a great opportunity for students with common interests (whether social, academic, religious or cultural) to meet and network with other students and to build new relationships. Clubs and Associations also provide unique opportunities to develop skills in leadership. In addition, as a sanctioned Seneca Student Federation Club/Association, one may provide a positive environment for students to participate in activities outside of their academic life.

All full time students are encouraged to participate and join any Club or Association they desire. All SSF clubs are accessible to all full time students regardless of age, gender, religious or cultural beliefs. Any instances where individuals are restricted from participation with a specific Club or Association should be reported immediately to the respective SSF Coordinator and/or SSF Vice President at their local campus.

The Seneca Student Federation has sole authority to create/sanction student Clubs/Associations, **exempting athletic groups**, and has the right to approve or deny any application or to withdraw previously granted Club/Association sanctioning. The Club/Association Information Package and Application Package has been compiled to provide clear guidelines as to the requirements of obtaining Club/Association sanctioning and the requirements of maintaining sanctioning once it has been granted.

Individual students and student groups are responsible for conducting their activities in a manner consistent with the Charter of Student Rights and Responsibilities of Seneca College of Applied Arts and Technology and the By-Laws of the Seneca Student Federation Incorporated. The Seneca Student Federation Incorporated shall not discriminate on the basis of race, sex, nationality, disability, religion, political beliefs, sexual orientation, age or other non-merit reasons when considering Application Packages.

Club/Association membership is restricted to full time Seneca College students. Individuals who are not full time students may not be members of a Club/Association. As non-fee paying students, part time students are not permitted to be members of a Club/Association. It is the responsibility of the Club/Association Executive to monitor the academic status of their Club/Association membership to ensure all students continue to be enrolled in full time studies.

In order for a Club/Association to be considered sanctioned by the SSF, the Policies and Procedures Agreement Form must be signed by the executive of the Club/Association wishing to be sanctioned.

A prospective Club/Association must also submit their constitution, as well as proof of having a minimum of ten (10) total members to the respective SSF coordinator.

Two (2) prospective Club/Association executives must complete training before their Club/Association may be considered for sanctioning and before they begin planning activities. Club/Association training dates will be provided by the respective SSF coordinator.

**SENECA STUDENT FEDERATION INCORPORATED  
CLUBS & ASSOCIATIONS**

**POLICIES AND PROCEDURES AGREEMENT FORM**

The Club/Association, \_\_\_\_\_, understands that to form and remain a Club/Association that is sanctioned by the Seneca Student Federation Inc., the Club/Association will:

1. Operate the Club/Association in a manner that will not contradict the Seneca community standards or the institutional policies. They must also abide by their own Constitution, SSF By-laws and the Club/Association policies and procedures.
2. Be responsible for the maintenance and security of any e-mail, website, space or information assigned to them as a Club/Association.
3. Be bound by the Policies and Procedure included in this package.
4. Be bound by the rulings of the Seneca Student Federation Inc.

The Club/Association, \_\_\_\_\_, also understands and acknowledges that the Seneca Student Federation Inc., has the right to immediately suspend and/or completely revoke any Club/Association privileges, resources or titles. The Seneca Student Federation will assume ownership of any Club/Association resources owned by the SSF Inc., should a Club/Association cease to exist. Examples of that which would constitute immediate review are breach of the Club/Association's Constitution, SSF Club/Association policies and procedures, Seneca College institutional policies, financial mismanagement or abuse of any privileges, resources or titles, etc.

We, as the Club/Association representatives and leaders, acknowledge that we have read the Club/Association policies and procedures and agree to adhere and respect all terms and conditions imposed by these documents.
